Foreword
RÉAMHRÁ

As Cathaoirleach of the County of Galway, it gives me great pleasure to introduce on behalf of Galway County Council, this Cultural and Creativity Plan for 2017.

The Creative Ireland Programme is about placing culture at the centre of our lives, for the betterment of our people and for the strengthening of our communities.

In 2016, Galway County Council demonstrated its unique capacity to activate and support community engagement and participation in marking the Centenary year through a wide range of arts, culture and heritage initiatives. Creative Ireland intends to build on this success with the aim of placing culture at the centre of people's lives.

This 2017 Cultural and Creativity Plan is an inclusive and high quality programme, which addresses peoples ideas in relation to arts, culture and heritage for County Galway for the coming year. The short and long term effect and impact of our arts, cultural and heritage programmes are central to the quality of life and to the wellbeing of all the citizens of the county.

This is the initial plan for the County which will be followed by a Cultural & Creativity Strategy and in doing so, the Council will continue to play an integral role in the future development of creativity and culture in our county.

Cllr. Michael Connolly
Cathaoirleach of the County of Galway

Is mar Chathaoirleach ar Chontae na Gaillimhe, cuireann sé ríméad orm chun an Plean Cultúir agus Cruthaitheachta seo don bhliain 2017 a chur faoi bhur mbráid.

Baineann cur an chultúir ag croí ár mbeatha leis an gClár Éire Ildánach, chun ár muintir a fheabhsú agus chun ár bpobail a neartú.

Léirigh Comhairle Contae na Gaillimhe a hacmhainn uathúil sa bhliain 2016 chun dlúthbhaint agus rannpháirtíocht an phobail a ghníomhachtú agus chun tacú leo sa chomóradh ar chothrom Céad Bliain trí réimse leathan tionscnamh ealaíon, cultúir agus oidhreachta. Tá sé ar intinn ag Éire Ildánach chun cur leis an rath sin leis an aidhm chun cultúr a chur ag croílár bheathaí na ndaoine.

Is clár cuimsitheach agus ardcháilíochta é an Plean Cultúir agus Cruthaitheachta seo don bhliain 2017, ina dtugtar aghaidh ar dhaoine, smaointe i ndáil leis na healaíona, cultúr agus oidhreacht do Chontae na Gaillimhe sa bhliain amach romhainn. Is lárnach iad tionchar gearrthéarmach agus fadtéarmach ár gclár ealaíon, cultúrtha agus oidhreachta do cháilíocht na beatha agus d'fholláine gach saoránach sa chontae.

Seo é an plean tosaigh don Chontae, agus tiocfaidh Straitéis Chultúrtha & Chruthaitheachta ina dhiaidh; agus coinneoidh an Chomhairle uirthi sa mhéid sin chun ról lárnach a fheidhmiú i bhforbairt na cruthaitheachta agus an chultúir inár gcontae amach anseo.

An Cmlr. Michael Connolly
Cathaoirleach Chontae na Gaillimhe

As Chief Executive Interim I welcome the publication of the Culture and Creativity Plan 2017 for Galway County Council.

The Creative Ireland Programme 2017-2022 is a key strategic document which provides a framework that will assist in the cultural advancement of our county. The ethos of the Programme being an all-of-government initiative is deeply significant, signalling the collective desire of the Government to work together for the benefit of the nation to realise its full creative potential.

The Creative Ireland Programme is a welcome initiative to enhance the arts, heritage and cultural programmes already in place in Galway County and it will support the Council's Cultural Strategy into the future.

Galway has been awarded the European Region of Gastronomy for 2018 and European Capital of Culture for 2020. Galway County Council through our staff and our members will work very closely with our communities and Galway 2020 to ensure a strong and vibrant programme under both designations across all areas of the county.

This 2017 Cultural and Creativity Plan has been developed by the Council's Culture Team with assistance of local people and organisations so it is reflective of the future hopes of our creative and cultural groups. I look forward to seeing this plan coming to realisation over the coming year.

Later in 2017, a Cultural Strategy for the County will be prepared which will address the Council's role and participation with the community in supporting and enhancing the County's creative culture.

Mr. Kevin Kelly
CEO (Interim)

Is mar Phríomhfheidhmeannach Eatramhach a fháiltímse roimh fhoilsiú an Phlean Cultúir agus Cruthaitheachta 2017 do Chomhairle Contae na Gaillimhe.

Is eochaircháipéis straitéiseach é Clár Éire Ildánach 2017-2022 ina soláthraítear creatlach a fheidhmeoidh mar chúnamh le forás cultúrtha ár gcontae. Baineann suntas mór le héiteas an Chláir mar thionscnamh uilerialtais, arb ionann agus comhartha do chomh-mhian an Rialtais chun saothrú le chéile chun tairbhe an náisiúin chun a cumas cruthaitheacht iomlán a bhaint amach.

Is tionscnamh é Clár Éire Ildánach a gcuirtear fáilte roimhe chun na cláir ealaíon, oidhreachta agus cultúrtha atá i bhfeidhm i gContae na Gaillimhe cheana féin a fheabhsú, agus tacóidh sé le Straitéis Chultúrtha na Comhairle amach anseo.

Táthar tar éis Réigiún Eorpach an Bhia don bhliain 2018 agus Príomhchathair Chultúrtha na hEorpa don bhliain 2020 a bhronnadh ar Ghaillimh. Saothróidh Comhairle Contae na Gaillimhe trínár bhfoireann agus trínár gcomhaltaí go dlúth lenár bpobail agus le Gaillimh 2020 chun clár láidir bríomhar a chinntiú faoin dá ainmniú ar fud gach cuid den chontae.

Táthar tar éis an Plean Cultúir agus Cruthaitheachta 2017 seo a fhorbairt le Foireann Chultúir na Comhairle le cúnamh ó dhaoine agus eagrais áitiúla, sa chaoi is go léireofaí ann dóchais amach anseo ár ngrúpaí cruthaitheacha agus cultúrtha. Táimse ag súil leis an bplean seo a fheiceáil ag teacht ar an bhfód sa bhliain atá le teacht.

Ullmhófar Straitéis Chultúrtha don Chontae níos déanaí sa bhliain 2017, ina dtabharfar aghaidh ar ról agus rannpháirt na Comhairle leis an bpobal chun cultúr cruthaitheach an Chontae a fheabhsú agus chun tacú leis.

The Creative Ireland Programme
CLÁR ÉIRE ILDÁNACH

The Creative Ireland Programme is the Government's Legacy Programme for Ireland 2016 – a five-year initiative, from 2017 to 2022, which places creativity at the centre of public policy. It is a high-level, high-ambition, all-of-government initiative to mainstream creativity in the life of the nation so that individually and collectively, in our personal lives and in our institutions, we can realise our full creative potential.

The Creative Ireland Programme is a culture-based programme designed to promote individual, community and national wellbeing. The core proposition is that participation in cultural activity drives personal and collective creativity, with significant implications for individual and societal wellbeing and achievement.

The Creative Ireland Programme is also the main implementation vehicle for the priorities identified in the Government's policy document, Culture 2025 - Éire Ildánach, which states that arts and culture are intrinsic to the Irish State, acknowledges the need to increase access to and participation in the arts, boost our creative industries, and preserve our heritage with a particular focus on language, landscape and the environment.

The programme is built around the themes of identity, culture and citizenship. The core operating principles are Collaboration and Communication, Community Empowerment, and Internationalisation.

Local authorities have a crucial role in the overall local delivery of the entire Creative Ireland programme and are exclusively mandated, through their culture teams, to deliver Pillar 2 of the programme – Enabling Creativity in Every Community. This devolution of responsibility for Creative Ireland to local authorities is inspired by the extraordinary impact of collaborative local authority co-ordinated projects for the centenary of 1916.

Is é Clár Éire Ildánach Clár Oidhreachta an Rialtais d'Éire 2016 – tionscnamh chúig bliana idir 2017 agus 2022 ina leagtar béim ar an gcruthaitheacht ag croílár an bheartais phoiblí. Is tionscnamh ardleibhéil ard-uaillmhianach lánrialtais é chun an chruthaitheacht a phríomhshruthú i saol an náisiúin ionas gur féidir linne, inár n-aonar agus i gcomhar a chéile, inár mbeatha phearsanta agus inár gcuid institiúidí, ár gcumas cruthaitheach iomlán a réadú.

Is clár cultúrbhunaithe é Clár Éire Ildánach atá deartha chun an fholláine aonair, pobail agus náisiúnta a chur chun cinn. Is é croílár an togra ná gurb é an rannpháirteachas sa ghníomhaíocht chultúrtha a threoraíonn an chruthaitheacht phearsanta agus chomhchoiteann, le himpleachtaí móra don fholláine agus don ghnóthachan aonair agus sochaíoch.

Is ionann an Clár agus an phríomhfheithicil fhorfheidhmithe freisin do na tosaíochtaí a aithníodh i gcáipéis bheartais an Rialtais Cultúr 2025 - Éire Ildánach, ina sloinntear gurb iad na healaíona agus an cultúr ina sainchodanna de Stát na hÉireann, ina n-aithnítear an gá chun: rochtain agus rannpháirteachas a mhéadú sna healaíona; borradh a thabhairt dár dtionscail chruthaitheacha; agus ár n-oidhreacht a chaomhnú le béim faoi leith ar an teanga, an tírdhreach agus an timpeallacht.

Tá an clár ceaptha timpeall théamaí na féiniúlachta, an chultúir agus na saoránachta. Is iad an Comhshaothrú agus an Chumarsáid, Cumasú Pobail, agus Idirnáisiúnú na croíphrionsabail oibriúcháin a bhaineann leis.

Bíonn ról ríthábhachtach ag na húdaráis áitiúla le seachadadh áitiúil foriomlán chlár Éire Ildánach ina iomláine; agus tugtar sainordú eisiach dóibh trína bhfoirne cultúir, chun Colún 2 den chlár a sheachadadh – An Chruthaitheacht a Chumasú i nGach aon Phobal. Faightear an spreagadh do dhílárú na freagrachta as Éire Ildánach do na húdaráis áitiúla ó thionchar ollmhór na dtionscadal comhoibritheach arna gcomhordú ag na húdaráis áitiúla do chomóradh céad bliain ó 1916.

Leagtar amach sa Phlean tús le cuid Chomhairle Contae na Gaillimhe san aistear chúig bliana sin, ar tionscnamh fíorthábhachtach don bheartas náisiúnta é lárnaithe faoin gcultúr agus faoin bhfolláine.'

This Plan sets out the beginning of Galway County Council's part in this five-year journey, a truly important national policy initiative centred on culture and wellbeing.'

Galway's Gastronomical Heritage

Galway has been officially awarded a European Region of Gastronomy 2018, the first region in Ireland to receive this designation. Galway will be one of just two European Regions of Gastronomy in 2018.

The European Region of Gastronomy award provides Galway with an excellent opportunity to build on the strong reputation and the excellent name it has in terms of a tourist destination, by building its profile further nationally and very importantly internationally.

The designation offers an opportunity to put in place strong support and to develop programmes which focus on building on the strengths of our Food; Agriculture; Tourism; Marine; Creative and Arts sectors and industries by bringing together all the parties working with a common aim. The European Region of Gastronomy programme will contribute to further growth in the economy in the Galway region and contribute to job creation across the various sectors and industries. While the designation is for the year 2018 which will comprise of a yearlong programme of events of all types from support to businesses, to community celebration, from conferences to symposia work is already underway to deliver projects that will support the key focus areas and have a lasting legacy.

In 2018, Galway, will share the honour of this title with North Brabant in the Netherlands and both regions will use the award year to work collaboratively on a number of projects and work with the other regions in the European Region of Gastronomy platform.

The Heritage Office and Social Inclusion Unit of Galway County Council in partnership with local heritage groups, networks, schools, individuals and the National Museum of Ireland Country Life have now embarked on documenting Galway's rich gastronomic heritage on its website http://heritage.galwaycommunityheritage.org/content/category/topics/galways-gastronomic-heritage

As gastronomy is really about the art or science of good eating the Heritage Office and Social Inclusion Unit and its partners will seek to show the rich tradition that the County of Galway has in relation to food, its production and the art of preparing and serving it at the local level.

Topics include local foods from the land and the water, self-sufficiency, recipes, shops and provisions, fairs and markets, special occasions, wild foods, folklore and cures, co-operatives, the famine, food from the 'Big House', food from the 'small house', the coming of electricity and water as well as the Schools Folklore Collection.

The opportunity to include our older population, children and new communities in the common experience of our food cultures, our food traditions and heritage is a key element of this project and the wider objectives of the European Region of Gastronomy designation.

Literature on the Move – Galway's Great Read

Galway's Great Read aims to encourage people to get back to reading for pleasure while inviting them to get involved and visit their local library and attend events. We encourage open debate and discussion on our chosen reading material. Galway's Great Read will commemorate an historical event through readings, poetry, exhibitions, talks and reminiscences of life in Galway and Ireland during that historic period. Free events will be hosted by our branch libraries throughout the city and county.

The proposal for 2017 is to concentrate on the life and works of Pádraic Ó Conaire. We hope to bring his work alive through drama, talks and modern interpretations.

The Council will aim to target Amateur Dramatic Societies throughout the Municipal Districts and bring writers and poets to different villages to work with local groups. The Council plans to target certain primary schools throughout the county to work on bringing a modern look to some of Padraic Ó Conaire's short stories. This will be a continuation of what happened during the 1916 commemorations when children in primary schools rewrote the 1916 Proclamation in a modern fashion.

The library service will invite speakers from all walks of life; general enthusiasts, academics, local and national artists, lecturers, musicians, local historians, storytellers, authors local and national, groups such as local writers and poets and offer evenings in the Irish language as well as bilingual talks.

An Litríocht ar Siúl – Léamh Mór na Gaillimhe

Is éard is aidhm le Léamh Mór na Gaillimhe ná chun spreagadh a thabhairt do dhaoine chun filleadh ar an léitheoireacht mar shult, agus cuireadh a thabhairt dóibh chun bheith páirteach agus cuairt a thabhairt ar a leabharlann áitiúil agus freastal ar imeachtaí. Tugaimid spreagadh don díospóireacht oscailte agus don chomhphlé faoinár n-ábhar léitheoireachta roghnaithe. Déanfar comóradh le Léamh Mór na Gaillimhe ar imeacht stairiúil trí léitheoireachtaí, filíocht, taispeántais, cainteanna agus cuimhní cinn faoin saol i nGaillimh agus in Éirinn le linn na ré stairiúla úd. Cuirfear ar siúl imeachtaí saora in aisce i gcraobhacha ár leabharlainne ar fud na cathrach agus an chontae.

Díreofar an aird sa togra don bhliain 2017 ar bheatha agus ar shaothair Phádraic Uí Chonaire. Táimid ag súil lena shaothar a bheochan tríd an drámaíocht, cainteanna agus léirmhínithe nua-aimseartha.

Beidh an aidhm ag an gComhairle chun díriú ar Chompántais Drámaíochta Neamhghairmiúla ar fud na gCeantar Bardasach, agus chun scríbhneoirí agus filí a thabhairt chuig sráidbhailte éagsúla chun saothrú le grúpaí áitiúla. Tá plean ag an gComhairle chun díriú ar bhunscoileanna sonracha ar fud an chontae le saothrú chun cuma nua-aimseartha a chur le roinnt de ghearrscéalta Phádraic Uí Chonaire. Is leanúnachas a bheidh ansin ar ar tharla i rith na gcomórthaí don bhliain 2016 nuair a d'athscríobh leanaí sna bunscoileanna Forógra 2016 ar shlí nua-aimseartha.
